October 8, 2018

Dear DeBakey High School For Health Professions Parent(s):

Your son/daughter is quickly approaching the last year(s) of high school. He or she has had 9, 10, 11, or 12 years to examine the questions, "Do I want to go to college?" or "What will I do after high school?"

Although most of our students are planning to go on to college, many have not yet narrowed down their college choices to a manageable number.

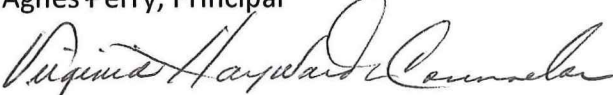

On Thursday, October 11, 2018, from 5:30pm to 7:30pm, the Administration & Guidance Department will host the **Annual College Night at the DeBakey High School for Health Professions**. Approximately 84 colleges/universities have responded to our invitation and will be sending a representative. We anticipate that others will be here even though they have not yet so indicated.

College Night affords an excellent opportunity for you and your student to get firsthand, accurate and up-to-date college and financial aid information from the colleges being represented.

A list of colleges/universities who plan to attend College Night is attached. We suggest that you and your child select a manageable number of colleges in which you are interested and think about questions you wish to ask. **Please encourage your student to register for the college fair online today at: www.gotocollegefairs.com**. This will maximize their time at the college fair and increase face-to-face interaction with admissions officers.

Sincerely,

Agnes Perry, Principal

Virginia Hayward, Guidance Counselor

Irma Billette, Guidance Counselor
